A message about your 2021 Form 1040

Your request for a direct deposit refund

We tried to direct deposit your refund, but the financial institution couldn't process it. We are researching your account, but it will take 8 to 10 weeks to complete our review.

A financial institution will reject a refund for a variety of reasons. Most often, the routing number, account number, TIN or name doesn't match its records.

What you need to

You are not required to do anything at this time.

Next steps

Once we finish our research, we will do one of the following:

- If you are entitled to the refund, we will send you a check in the mail.
- If we need more information, we will send you a letter to explain what we need.

Please allow 10 weeks before checking the status of your refund.
