What you need to do

Take the following actions in reference to your payment:

- Contact your financial institution if you need more information why your payment was returned. You can't change and resubmit your payment request via IRS e-file.
- **To pay by EFTPS:** Visit [www.eftps.gov](http://www.eftps.gov) to learn about Treasury's Electronic Federal Tax Payment System.
- **To pay by debit or credit card:** Visit [www.irs.gov/e-pay](http://www.irs.gov/e-pay) for information on paying taxes by a debit or credit card.
- **To pay by Same-Day Wire:** Visit [www.irs.gov/e-pay](http://www.irs.gov/e-pay) for information on this payment option. Check with your financial institution for deadline and fees.
- **To pay by check or money order:**
  - Mail your payment to Internal Revenue Service, PO Box 1211, Charlotte NC 28201-1211.
  - Make your check or money order payable to the United States Treasury.
  - Include your tax ID, tax form number, and the tax period on your payment.

You are responsible for submitting your payment to IRS by the due date. This isn't a bill. If you owe, IRS will send you a bill. However, you don't need to wait and can submit payment as soon as possible for the amount you believe you owe to avoid or limit penalty and interest charges. If you have questions, call IRS e-file Payment Services at 1-888-353-4537.
