What you need to do immediately — continued

If we notified you that we suspended enforced collection on your account because it would create a financial hardship (meaning you would be unable to pay basic reasonable living expenses if we levied) and your financial situation has not changed, you don't need to do anything.

If you disagree with the amount due

Call us at 800-829-0922 to review your account with a representative. Be sure to have your account information available when you call.

We'll assume you agree with the information in this notice if we don't hear from you.

Payment options**Pay now electronically**

We offer free payment options to securely pay your tax bill directly from your checking or savings account. When you pay online or with your mobile device, you can:

- Receive instant confirmation of your payment
- Schedule payments in advance
- Reschedule or cancel a payment before the due date

You can also pay by debit or credit card for a small fee. To see all of our payment options, visit www.irs.gov/payments.

Payment plans

If you can't pay the full amount you owe, pay as much as you can now and make arrangements to pay your remaining balance. Visit www.irs.gov/paymentplan for more information on installment agreements and online payment agreements. You can also call us at 800-829-0922 to discuss your options.

Offer in Compromise

An offer in compromise allows you to settle your tax debt for less than the full amount you owe. If we accept your offer, you can pay with either a lump sum cash payment plan or periodic payment plan. To see if you qualify, use the Offer in Compromise Pre-Qualifier tool on our website. For more information, visit www.irs.gov/offers.

Account balance and payment history

For information on how to obtain your current account balance or payment history, go to www.irs.gov/balancedue.

If you already paid your balance in full within the past 21 days or made payment arrangements, please disregard this notice.

If you think we made a mistake, call 800-829-0922 to review your account.

If we don't hear from you

- Pay 588.94 by May 27, 2019 to avoid additional interest charges and applicable penalties.

Penalties

We are required by law to charge any applicable penalties.

Failure -to-pay

Date received	Months late	Unpaid amount	Penalty rate	Amount
05/15/2019	01	\$584.00	0.50%	\$2.92
Total failure-to-pay				\$2.92

We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time. We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.

- The due date for payment of the tax shown on a return generally is the return due date, without regard to extensions.
- The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more).

If we issue a Notice of Intent to Levy and you don't pay the balance due within 10 days of the date of the notice, the penalty for paying late increases to 1% per month, For individuals who filed on time, the penalty decreases to 1/4% per month while an approved installment agreement with the IRS is in effect for payment of that tax. (Internal Revenue Code section 6651)

Note: The penalty amount shown here may differ from the amount shown on Page 1. The computation shown here may include late payment penalty on amounts due before the adjustment.

Removal or reduction of penalties

XXXXXX

We understand that circumstances—such as a serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

Removal of penalties due to erroneous written advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You wrote us asking for written advice on a specific issue.
- You gave us adequate and accurate information.
- You received written advice from us.
- You relied on our written advice and were penalized based on that advice.

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the address shown above. For a copy of the form, go to www.irs.gov or call 800-TAX-FORM (800-829-3676).

Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code section 6601)

Note: The interest amount shown here may differ from the amount shown on Page 1. The computation shown here may include interest charges on amounts due before the adjustment.

Period	Days	Interest rate	Interest factor	Amount due	Interest charge
04/15/2019- 05/06/2019	21	6.0%	0.003457735	\$584.00	\$2.02
Total interest					\$2.02

We multiply your unpaid tax, penalties, and interest (the amount due) by the interest rate factor to determine the interest due.
